Staying with a Maltese family is a great way for students to practice their English outside of school whilst learning about the culture of this interesting island. All of our host families are licensed by the Malta Tourism Authority and approved by EC's Accommodation staff who also visit all host families regularly. Host families locations include but are not limited to; St Julian's, Sliema, Sweiqi, San Gwann, St Andrew's, Ta' Xbiex, Gzira, Msida and Pembroke.

What students should expect from their host family:

- Twin / triple room - students are placed in a twin room with other students of the same sex
- Shared bathroom
- Full board accommodation
- Bed linen is provided; students should bring their own towels - linen and towels will be cleaned once a week
- Laundry facilities will be provided by the family once a week
- Student rooms include a bed, desk/table where students can do their homework (if not in the room, a place for studying will be provided in a common area) and storage space.
- All students will have access to a phone and will be allowed to accept incoming calls. If students want to make phone calls they must use a calling card. Calling cards can be found in many local stores.
- International leaders are accommodated in triple/twin rooms shared with other international leaders. If international leaders book a single room, a supplement will be charged at the time of booking and reserved based on availability.

With advanced notice EC can accommodate any special requests that students may consider necessary for their well being eg. non smoking family, no pets, allergies, special dietary requirements etc. However students should bear in mind that this may not always be possible especially in the summer.

EC must be advised upon booking of any medical conditions, allergies or medication that needs to be administered to students. EC will ensure that the chosen host family can accept students with medical conditions. If we are not advised of special requests in advance, EC cannot guarantee that the host family will be prepared to take this responsibility. EC is happy to assist students with arrangements for any justifiable accommodation change. Additional charges relating to the move must be paid for by the student prior to the move.

Learning

Learning Centres:

Spring & Autumn Programmes: Students attend lessons at a learning centre in St Julian's.

Summer Programme: Students attend lessons at St. Martin's College (with the exception of the first weeks of the programme when students may attend a school in St Julian's). St Martin's College provides a safe and comfortable environment which is highly conducive to English language learning.

- Students will learn in a fully air-conditioned centre
- Each centre has a dedicated EC Academic Co-ordinator.
- Students are transported to school and activities by a private EC bus service, average journey to school: 30 minutes.

Course

Students attending this programme will attend a General English course.

- General English – 20 morning / afternoon lessons (45 mins each) per week for a total of 15 hours. The course will help improve English language skills by focusing on the key areas: reading, writing, speaking and listening. A strong focus is placed on speech and using the language confidently and fluently.
- On the first day, all students sit a placement test - The placement test assesses students in listening, reading, writing and use of English allowing academic staff to place students in the relevant group for their ability.
- Students study in classes of a maximum of 15 students
- Our dedicated and professional teaching staff provide feedback and support and help students build confidence to speak English.
- International classes.

Attendance

Attendance to class is compulsory unless there is a justified reason for absence. In case of a student falling ill, an EC staff member will provide assistance. European students travelling with a European Health Insurance Card (EHIC) are entitled to free public healthcare. Students requesting private medical treatment must be prepared to pay approximately €25 to see a doctor; this must be paid at the time of their visit.

Note

- Educational materials are provided
- Students should bring their own notepaper and pens

After School

Meals

Students staying in a host family are entitled to meals as follows:

 Summer: Breakfast, a combination of hot and packed lunches & dinner. Upon arrival, host families will advise students of the time dinner will be served and students must try and respect this time. Normally meals are as follows:

Breakfast: tea / coffee, toast, jam and cereal.

Packed lunch: A large sandwich, fruit, a bar of chocolate and a 500ml bottle of water. During the week packed lunches are collected at school, on the weekend packed lunches are collected from the host family.

Customer Complaints

At EC, we endeavour to provide our students with the highest possible level of service. If, however, a student is unsatisfied with any aspect of their programme with EC, we ask that they inform us immediately. Most problems are small and can be quickly resolved by our staff members. During the first week of school, all students are given an Initial Course Evaluation form, in which they are asked to evaluate various aspects of their stay, such as tuition, accommodation and leisure. The form also allows students the opportunity to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete an End of Course Evaluation form at the end of their stay such that they have the opportunity to provide EC with general feedback before returning to their home country.
