Welfare, Rules and Disciplinary Action

Customer Complaints

At EC, we endeavour to provide our students with the highest possible level of service. If, however, a student is unsatisfied with any aspect of their programme with EC, we ask that they inform us immediately. Most problems are small and can be quickly resolved by our staff members. During the first week of school, all students are given an Initial Course Evaluation form, in which they are asked to evaluate various aspects of their stay, such as tuition, accommodation and leisure. The form also allows students the opportunity to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete an End of Course Evaluation form at the end of their stay such that they have the opportunity to provide EC with general feedback before returning to their home country.

Accommodation Rules

- Students must keep their room neat and tidy
- Students are not allowed to invite guests into the residence
- Students who are not residing in the accommodation are not allowed to stay in the hotel room/s or use the hotel facilities/restaurants.
- Girls are not allowed to stay in the boys rooms and vice versa
- EC must be advised well in advance (upon booking) of any medical conditions, allergies or medication that need to be administered to students
- Students are liable for any damages/breakages caused to school/hotel property. Payment for damages must be effected immediately and the residence staff will not allow the students to leave the residence unless payment has been made
- The hotel may have specific regulations that will be communicated upon the students arrival.

All students under 18 must provide signed consent forms from their parents or legal guardians to participate in this programme.

Alcohol Consumption

The legal age for consumption of alcohol in Malta is 17 and hence anybody younger caught consuming alcohol is in breach of the law. Students under 17 caught consuming alcohol risk being expelled from EC and repatriated to their home country at the student's own expense.

Drugs

The consumption of any illegal drugs will result in the immediate expulsion and repatriation of the student, at their own expense and the possible intervention of the police.

Smoking

The legal age for smoking in Malta is 16 years.

Expulsion

EC reserves the right to expel and repatriate a student at his/her own expense for any of the reasons below. This includes but is not limited to the following circumstances:

- Possession of any illegal drugs
- Excessive alcohol consumption
- Malicious damage to school property or place of accommodation
- If the student is a danger to his/her own safety or that of other students
- Breaking Maltese law
- Repeated failure to attend academic lessons

In any of the above circumstances the student is informed that his/her stay is going to be terminated with immediate effect. Simultaneously EC informs the student's agent of the student's behaviour and the course of action to be taken. The earliest flight available is booked and an EC staff member accompanies the student to the airport to ensure that the student leaves the country. Following such action, EC will terminate all relations with the student and will be unable to take further responsibility for the student. No refunds will be given to any students who have been expelled.
