At the time of booking EC must be advised of any medical conditions, allergies or medication that needs to be taken by the student. EC will endeavour to find a homestay provider that can accept students with medical conditions. However if we are not advised of this in advance, EC cannot take responsibility should the homestay provider refuses to accept the student in their home.

Students must have adequate health, accident and travel insurance while attending any of our programmes which must be acquired prior to their arrival.

European students travelling with a European Health Insurance Card (EHIC) are entitled to free public healthcare. ## FIRST DAY

The first day of school is very important. Students are picked up from their bus stop at the time indicated on their programme.

The handbook clearly states the date and time that the student has to be at school for the placement test – this may vary according to the number of students starting their course on that day. The test time is earlier than the starting time of lessons on any other school day. Students must be PUNCTUAL to ensure that the allocation process of students to classrooms/levels runs smoothly. All students are entitled to use the EC school bus service.

Students sit a placement test on the first day. This assesses students in listening, reading, writing and use of English allowing academic staff to place students in the relevant group for their ability.

## ATTENDANCE

Attendance to class is compulsory unless there is a justified reason for absence. In case of a student falling ill, an EC staff member will provide assistance.

## CUSTOMER COMPLAINTS

At EC, we endeavour to provide our students with the highest possible level of service. If, however, a student is unsatisfied with any aspect of their programme with EC, we ask that they inform us immediately. Most problems are small and can be quickly resolved by our staff members. During the first week of school, all students are given an Initial Course Evaluation form, in which they are asked to evaluate various aspects of their stay, such as tuition, accommodation and leisure. The form also allows students the opportunity to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete an End of Course Evaluation form at the end of their stay such that they have the opportunity to provide EC with general feedback before returning to their home country.

## EXPULSION

EC reserves the right to expel and repatriate a student at his / her own expense for any of the reasons including but not limited to the circumstances listed below:

- Possession and / or use of any illegal drugs
- Consumption of alcohol
- Malicious damage to school property and/or place of accommodation
- Being a danger to his / her own safety or that of other students
- Breaking Maltese law
- Repeated failure to attend academic lessons and/or activities

In any of the above circumstances the student will be informed that their stay is going to be terminated with immediate effect. Simultaneously EC will inform the student's agent about the student's behaviour and the course of action to be taken. The earliest flight available will be booked and an EC staff member will accompany the student to the airport to ensure that the student leaves the country safely. Following such action EC will terminate all relationships with the student and will be unable to take further responsibility for the student. No refunds will be given to any student who has been expelled.
