

New York

Undeniably the unofficial capital of the United States of America and home to the world's most iconic symbol of freedom, the Statue of Liberty. New York is one of the world's most exciting and vibrant cities with a variety of things to do and see.

Central Park is a green oasis in the middle of downtown Manhattan. This 843-acre park is an interesting collection of lush lawns, cool forests, flowering gardens and glassy waters.

One of the most recognizable icons in the world, The Statue of Liberty is a must see for any visitor to New York. Standing 93 meters tall, it is a universal symbol of freedom.

The most famous member of the New York skyline. Located on the original site of the Waldorf-Astoria Hotel, the 102-storey Empire State building offers an unparalleled view of New York.

Home to over 30 million artifacts and unique interactive exhibits including its world famous dinosaur halls and life-size blue whale.

The 70-storey tall Rockefeller Center is known for its unique combination of modernist architecture. Visit the 'top of the rock' a three-tiered observation deck for a 360 degree view of the city.

Times Square is one of New York's most iconic landmarks, conjuring up images of seas of crowds and taxis surrounded by a wall of skyscrapers.
